This past year serving as your Second Vice District Governor has been an incredible journey.

It has given me the opportunity to connect with so many like-minded individuals who share a passion for our mission. **“We Serve”**

Throughout this year, I have learned invaluable lessons, shared countless laughs, along the way.

I made a promise to lead with compassion and integrity, and I am proud to say that we have embodied these values together. I am especially proud of our achievements in Q1, where we have made significant strides and built a strong foundation for the future.

Thank you all for your support and commitment. Let's continue to inspire and uplift one another as we move forward!
