DISTRICT 201Q1 NEWSLETTER – VOL 4, OCTOBER 2016-17

WELCOME TO MY NEWSLETTER

I started my month off with a visit to Mid Richmond River and had a great time and great food. I awarded my District Governors Pin & Certificate to two lions and the recipients were Lion Joan Smedley and Lion Shirley Dietz which was well received by the members.

On Saturday 3rd September I was invited to open the Ormeau Fair which I was honoured to do. They had a lot of rain overnight but the Fair went ahead. It was unusual not to see Boyd Evans at the Fair but I was advised Boyd was resting at an Aged Care Facility after his health scare. I wish Boyd all the best and hope to see him back at Lions when he is well enough. I stayed on to see the local schools put on some dancing displays and I must congratulate the students and teachers for a wonderful display. I was impressed with the groups so I had photos taken with the winners as well as a photo of all contestants. A big thank you to the judges as well, with the chairman of judges Shane Weatherby making the announcements. Thank you to President Pauline and members of the Ormeau Lions.

By now Lion John Clark would have advised all clubs that the Lions Awareness Day will be held on Saturday 4th March 2017. This Lions Awareness Day is your opportunity to showcase to your local community what Lions is all about. Make sure you have photos showing what projects you do in your community. The reason the date was changed from February to March was to align ourselves to the March to May Membership Drive.

The District Convention at Kingscliff is coming together well. The Convention will be suited to everyone as we will have business as well as fun and fellowship.

Red Faces on the Friday night should be fun and if you are the winning club you will win \$500 for your clubs Administration Account.

Saturday night's Banquet should be a great night. The Theme is a Touch of Red and Masquerade. We have a fabulous band "Seven Deadly Swings" which will get us in the mood for fun fellowship and dancing. Dress for the night is After Five for the ladies and Dinner suit/ Lounge suit for the men.

District visits are going great and again I must thank my Vice District Governors Ann & Kim. We are getting great feedback from clubs visited. Can I ask Clubs who have an event or special project on that is important to them to contact Greg Nothing with the details so all members of our lions family can see and maybe attend if it is published in the Newsletter. You must remember this is your Newsletter and it is your opportunity to let other members know what is happening in their neck of the woods.

It is on a sad note that one of our family has passed on, Lions Lady Maureen Nothing left us on Saturday 10th September and to Greg and Family may we pass on our condolences to you. I remember Maureen very well meeting her for the first time at a Cabinet Meeting weekend and also when we visited Rochdale Springwood club and she gave Denise some herbs to grow and one of her beautiful cards which she made. I must say that I will remember Maureen as a great supporter of this District and she will be sorely missed.

During October and November Denise and I will be representing the District at other District Conventions and we are looking forward to sharing our District with the other Governors.

I want clubs to think about a big party to celebrate the Centennial year and I ask if you have any suggestions to forward them to our Centennial Co-ordinator PDG Peter Ho. Email: lion.peterho@gmail.com

CONGRATULATIONS ON SERVING 100 MILLION PEOPLE!

Centennial Logo Two years ago, Lions were challenged to serve more than 100 million people by the end of our Centennial Celebration in 2018. Now, you're invited to celebrate the achievement of this incredible milestone in true Lions style—by renewing your commitment to service and joining together to continue to serve the people who need us most.

But first, take a minute to watch the 100 Million Served video on YouTube and reflect on the millions of lives changed by Lions service around the world. And keep going!

SAVE SIGHT THIS OCTOBER 10-16

Join international president Chancellor Bob Corlew for a special Worldwide Week of Service event designed to end preventable blindness and visual impairment in your community and around the world. Plan a service project saving sight in your community during October 10-16, and your club will be eligible for special recognition. From vision screenings to white cane donations and more, there's an opportunity for every club to change lives this October. Visit the Worldwide Week of Service in Sight webpage for more information and start planning your project today!

OUT AND ABOUT AROUND THE DISTRICT

RUNAWAY BAY LIONS CLUB HELPS STAMP OUT MEASLES

Runaway Bay Lions Club has accepted the challenge from Bill Gates to help raise US\$30 million in the fight against the deadly disease of measles and rubella. This commitment by Runaway Bay Lions Club has seen \$1,000 recently donated to the "One Shot, One Life - Lions Measles Initiative"

Lions Clubs International \$30 million will be matched dollar for dollar by the Bill & Melinda Gates Foundation or the U.K. Government's Department of International Development. Each vaccine costs about \$1, so every Lions dollar saves a child's life. In fact, every Lions dollar with the matching dollar saves 2 children's lives. Lions have vaccinated almost 600 million children in Africa and Asia. The donation by Runaway Bay Lions Club alone will save 2,000 lives!

Local Lions organise rural villagers to bring their children and babies to the medical centres to receive the life-saving vaccination. Lions Leaders also work with the country's health minister and officials to ensure an ongoing immunisation program is implemented for the future benefit of the countries health service and communities.

Beyond Nepal, Kenya, Nigeria and Mali who have all carried out in-country activities for 2016, other potential countries for Lions measles and rubella engagement activities for 2016 include Botswana, Ethiopia, Madagascar, South Africa and Zambia.

When Lions first became involved in the "One Shot, One Life - Lions Measles Initiative" over 450 people, mostly children under 5 years of age, died every day from measles and rubella. Many survivors experienced complications like blindness, hearing loss and brain damage.

With Lions involvement the number of daily deaths has been reduced to 340. It is still too many, but what Lions do works!

CHILDREN OF COURAGE

The Lions Club of Rochedale Springwood held their Children of Courage presentation at the Yurana Recreation Hall, on Saturday 10th September.

After a rather sad start with the notification of the passing of Lions Lady Maureen Nothing proceedings got underway and was chaired by Lion David McKenzie on behalf of Lion Greg who was responsible for organising the function.

There were five recipients on the day Samuel Thorne, Amelia Thorne, Tallis Munro, Jazmine Hockley, and Samuel Glancy. They were all worthy recipients and congratulations to them all.

There was even a surprise visit from a Bronco mascot which certainly livened up the day much to the delight of the children.

Another great presentation and I look forward to hearing from Clubs wishing to hold a Children of Courage presentation in the future never too late.

RUNAWAY BAY LIONS CLUB PUTS WIND IN THE SAILS OF SAILABILITY

To mark Lions Club International's centennial, the Runaway Bay Lions Club signed on to help Lions Australia give away more than \$100,000 to over 100 local projects as part of its Community 100 program. The \$100,000 was available in the form of \$1000 grants to projects which make a difference to the community in the fields of youth, vision, hunger or the environment.

Runaway Bay Lions Club is one of more than 100 of Australia's clubs chosen to form 'Team 100', which will help to roll out the grant opportunity locally. The program brought together Lions Clubs in a campaign designed to drive awareness, while also helping to fund new projects in the communities we serve. Runaway Bay Lions Club are pleased to announce that Sailability are the local recipients of a \$1,000 grant in support of the wonderful community work they do.

Sailability is a true community non-profit organisation whose principal purpose is to facilitate sailing and boating for people of all ages with mental & physical disability. They believe in making the impossible happen & with the help of approx. 40-50 volunteers every Tuesday they are able to provide people with disabilities the opportunity to make their dreams of freedom on the water a reality.

Imagine the thrill of sailing for people who can feel & hear but have no sight, or of sailing a boat at speed yet they cannot walk or where deafness does not matter. The sport of sailing has given added meaning to the words freedom & fun for a person with diminished capabilities be they physical, intellectual or both. They see 80-100 clients every week come back from their sail with the biggest smiles on their faces that only warm your heart.

As a non-profit organisation their only means of attracting funds is by internal fund-raising (raffles/sausage sizzles) & the generosity of individuals and Gold Coast businesses.

Runaway Bay Lions Club is pleased to put a little extra wind in the sails of this wonderful community group.

WARWICK - OUR SERVE DELIVER

Good news coming from our Warwick Lions Club, gained a new member. President Con Lo Giudice Welcome Lion Gretel Rudzitis, she was sponsored by Lion Jenny Rainbird, the induction was conducted by Lion Jeff Ferguson at request by President Con at our last dinner meeting , 7 September.

LIONS HEARING DOGS INC

CHRIS AND TAMARI TRAVEL TO NEW ZEALAND

Did you know it is now possible to take your Hearing Dog to New Zealand and many other countries throughout the world and bring them back to Australia?

I have just recently travelled to New Zealand for a holiday and was able to take my Lions Hearing Dog, Tamari into New Zealand and back again in Australia. The only cost I had to pay was for the vet both in Australia and New Zealand. There are no government fees and as long as your hearing dog had met the criteria for a health check there are no quarantine period for the dog.

To do this you will need to contact the Lions Hearing Dog Centre in Adelaide and ask them to contact Hearing Dogs in New Zealand so they can provide accreditation for your dog while you are in New Zealand.

When you are looking for a flight on the airlines you will need to notify them that you are taking your hearing dog with you and that the dog will be coming on-board with you. Qantas, Air New Zealand, Virgin Australia and Jetstar will permit your dog on the plane. Also you will need to ensure that your plane will arrive during the time that the New Zealand MPI (Ministry of Primary Industries) vet is available to inspect your dog. When I was travelling there, they were only available during working hours Monday to Friday. You will need to notify them at least a week before you arrive as they will want to meet you with your dog when you arrive.

You will need to do the following thing to take your dog into New Zealand.

Contact an AQIS accredited vet and ask them to conduct the following:

- Get your dog treated for both tick and fleas within 16 days and 48 hours before departure.
- Get the relevant paperwork that you need from the website and give it to the vet.
- Make sure that your dog has a current microchip and that it is working.
- Get your dog tested for Babesia Gibsoni and Heartworm within 16 days prior to the date of departure.
- Take your dog to your state Department of Agricultural Centre the day before the flight to give you a permit to take your dog out of Australia.

It is so much easier to return your hearing dog back to Australia. You will need to contact an MPI approved Vet at least five days prior to departure to organise a permit to return your hearing dog to Australia. You will also need to contact the Australian Department of Agriculture to inform them that you are bringing your dog back into Australia.

Useful websites! Steps in bringing your dogs into New Zealand.

There are many countries that you can take your hearing dog into. However you will need to check with an organisation in that country to see if Hearing dogs recognised as an assistance dogs in that country, otherwise they will be treated as a pet. You will need to check what the policy of that country in bringing dogs into that country and returning back to Australia. <http://www.agriculture.gov.au/cats-dogs>

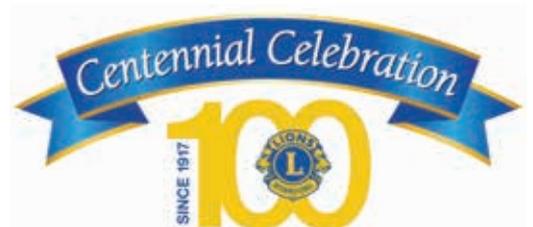

Make sure you plan well in advance if you wish to travel with your hearing dog! Like 8 months especially if you are going to a country that is known for rabies!

Now back to planning my next adventure with Tamari to South Africa!

LIONS AWARENESS DAY 4 MARCH 2017

It is apparent that the Lions Awareness Day has been moved from 4 February 2017 to Saturday 4 March 2017 following full support from the Council and hopefully this would have much better and bigger exposure of Lionism to the community when a lot of Clubs are promoting their activities on the day.

More information will be released by Zone 4 Chair John Clark who initiated the idea. Please remark your diary.

CENTENNIAL PROMOTION

To promote our Centenary year, a suggest has been putting forward by PDG Merv Ferguson using Billboard having a large sign posted in freeway for a number of months. A design from Lion Mark McCosker is provided herein.

Obviously there are tens of thousands of dollars involved and we looking if there is sponsorship around to make this happen. Further suggestions are considered such as make sticker patches for private or public vehicles such as local buses to promote same. I welcome anyone has any bright idea to move this forward.

Visit the Lions100 website at www.lions100.lionsclubs.org to learn more about the Centennial Service Challenge Campaigns.

NEWSPAPER STORY PUBLISHED IN THE TENTERFIELD STAR 21/9/16

Lions 50 years young

BY DONNA WARD

THE year 1966 marked the founding of the Tenterfield chapter of the Lions Club, and the 50th anniversary of that milestone was celebrated at this year's changeover ceremony.

Lions from Warwick, Killarney, Casino and Stanthorpe were guests at the event. But there was one extra-special guest indeed in the form of 92-year-old Gino Zanatta who, as president of the Stanthorpe Lions Club in 1966, was instrumental in sponsoring the formation of the local division.

Fifty years on, and the Tenterfield Lions continue the organisation's mission to serve the civic, cultural, social and moral welfare of the community, and they do it well.

Sitting president Bruce Jackson is serving another

INSTIGATOR: Jeanene Chapman with Gino Zanatta, who was president of the Stanthorpe Lions Club in 1966 when it sponsored the formation of the Tenterfield Club.

term, and as such was able to provide a review of the past year and a path for the year ahead. In his report, he said his aim for the 2015-16 period was to increase membership, reduce the average age of the club's membership, consolidate the overall aims and objectives of the club

and to maintain a 'steady as she goes' feel.

"My intention is to continue this aim in the year to come, and hopefully I will leave a legacy of a stronger, exciting and fun club where you, as members, can feel a great sense of achievement and satisfaction."

Lions volunteers were active during the year investing nearly 1000 man-hours into their community contributions. Catering remains a large component, and this was further enhanced with the roll out of the club's swank new catering trailer in December, just in time to

be debuted at Christmas in the Park. The catering crew popped up at junior soccer carnivals, bull sales, golf days, a cinema supper night, private functions and even a wedding.

They braved the heat and risked donut fatigue at that Christmas in the Park, and the van was a very welcome sight (and somewhat of a motivator) for walkers in April's Relay for Life at the showground. The early start on that occasion made serving up Breakfast in the Park for Oracles of the Bush a doddle by comparison.

Another regular and challenging feature on the catering calendar is the Ruptured Budgie Bike Rally at Mingoola. But arguably the highlight of the club's calendar - at as far as the community is concerned - was another spectacularly successful Cracker Night on June 11.

LCI & ALF FOUNDATIONS

Lions Clubs International
FOUNDATION

Clubs are asked to send a copy of any grant application both to the MD LCIF Chairman and myself. This way we will be able to keep up to date information regarding the grants. When the grant is to be finalised we can contact the grant administrator at LCIF to make sure all relevant paper work has been completed.

Any Clubs considering awarding Melvin Jones Fellowships at Christmas time are asked to contact me to ascertain their MJF balance. Where a Club's current balance is US\$1,000 or more the application for the MJF award may be made without further donation. Award applications are processed in Australia by PDG George Barnard.

Lions may make individual donations to LCIF through me under the contributing member pin program. Each member's donation goes against the member's name under their Club listing in the official records of LCIF. Once the member's contributing pin balance reaches US\$1000.00 the member is eligible to receive an MJF or PMJF. **Available pins are: Bronze \$35.00; Silver \$70.00; and Gold \$140.00. I will have pins available at the forthcoming Kingscliff Convention.**

AUSTRALIAN LIONS FOUNDATION NEWS

Clubs are asked to consider making applications to ALF for grants to help them to provide monetary assistance for projects in their communities. Standard grants may be made by the Foundation for worthwhile projects on a \$ for \$ basis up to a maximum grant of \$15,000.00. So far this Lions year I have assisted 1 Club with a grant application. This application was for \$10,000 and was successful.

Any Clubs considering awarding any of the Foundation's awards (William R Tresise Fellow Award, Ian M Stockdale Humanitarian Award, James D Richardson Honour Award or Community Service Award) to deserving Lions at Christmas time are asked to contact me to ascertain their balance for award purposes. Where a Club's current balance is sufficient to meet the appropriate cost (\$2,000; \$1,000; \$500.00 and \$250.00 respectively for the above awards) the award application may be made without any further donation. Award applications are processed by PDG Kent Wilcox who is Queensland's representative on the Foundation/Company's Board of Directors.

These awards do take time to process and post, and Clubs are asked to provide 4 weeks' notice to ensure the awards can be delivered well in time for presentation.

BREAST CANCER AWARENESS

BID FOR A BRA AT CONVENTION

I am pleased to announce that the bras painted by the celebrities this year are looking fantastic – and it is amazing that they have been so kind to take the time to paint one for our silent auction:

- **Wally Lewis** – (Qld / Australian Rugby League Legend) • **Samuel Johnson** – (Actor, played “Molly” on TV mini-series, co-founder of “Love Your Sister” charity)

Other bras being painted by: **Jimmy Barnes** – (70's icon Singer); and **DG Graham “Jacko”** are yet to be received, but they are coming and will be available for auction.

There will also be a range of bras I have painted will be for sale on the day (not for auction)

Bra painted by – Wally Lewis (his QLD jersey)

Bra painted by – Samuel Johnson (Actor)

(There will never be another bra like this one ever)

We need to have as many bids as possible to buy the bras that are being auctioned – to raise as much monies as possible for Breast Cancer Awareness.

If you know someone that would like to bid for one of the painted bras / or if you are not going to Convention (which of course we hope you are) – and you or they would like to bid for a bra, please contact me for details on how you can place a bid – it is very easy.....

BREAST WISHES COOKBOOK

It's back – the 3rd volume of the Breast Cancer “Breast Wishes” Pink Cookbook – will be for sale at the Convention. It will still only be \$10.00 – and will be even better than the last two volumes – there will only be a limited amount being printed, so don't miss out...
