WELCOME

Hello fellow Lions family,

Welcome to the first District 201Q1 newsletter for 2021/2022.

Time flies when you are having fun, it only feels not so long ago when I was standing at the lectern at our 1st Virtual District Convention at Sunnybank conducting my nomination speech. Now I am sitting at my desk writing my first newsletter article to our Lions family working out what shall I write, well here it goes...my journey so far :)

Firstly, I would like to thank you for allowing me to take on this leadership opportunity in our Lions organisation. I am looking forward to working with each and everyone of you, however, our District Cabinet are also looking forward to assisting our District to progress in leaps and bounds.

In the past several months it has been filled with some further club visits, changeovers, attending the online training which would normally be conducted face to face in Chicago to being elected virtually at our Virtual Convention in June which was supposed to be in Montreal.

When I was thinking of my motto/theme for the upcoming year I was not thinking that my theme was going to be very similar to our International Presidents Douglas X Alexandar's theme by two words. As you can see my motto for the year is Serve with H.E.A.R.T and IP Douglas theme is Service with the Heart.

My motto is a way of saying who LIONS are as an

organisation. We are individuals who have different ideas, personalities but all here to do the one thing; SERVE our community to make it a better place.

CABINET TRAINING AND PLANNING DAY

In March we had our Cabinet Training Day which involved 3 amazing guest speakers:

- Ben Cox (Fundraising Institute Australia – FIA) speaking about Marketing, Fundraising and Communication and why the 3 fundamentals of the What, How and Why are important when running events and understanding the organisation/club
- Dakota Ellington (Black Dog Institute) – sharing her experience and speaking on the topic of 'Breaking Down Depression' and providing us one key message about checking in with each other and simply asking 'How are you?' As this is an open question and this will allow the other person to expand.
- Julie and Reay Mackay (aXcelerate) – sharing an interactive activity providing us more understanding around different personality/temperament types using the 4 birds analogy (Dove, Owl, Peacock and Eagle). Reay shared the importance on how to create, breakdown and achieve the goals you set.

CLUB DEVELOPMENT DAYS

Over the month of June we conducted Club Development Days at Upper Mt Gravatt, Coolangatta and Warwick and I was so excited with how many attended. We also had Ben Cox as a guest speaker at the events which really inspired all in attendance. I wish to thank everyone who attended to learn or re-educate themselves on the

position they are going to undertake. To make these sessions successful it takes a lot of time in the background to prepare and run the day,

THANK YOU to our guest Ben, our Lions presenters and the hosting clubs.

These sessions were one way of embracing and sharing knowledge but also an ability for everyone to catchup with fellow Lions family. Since these sessions, I have heard several clubs feeling reinvigorated to go back to their club to hit the ground running – Well Done.

I am looking forward to hearing from clubs about their progress and how Ben's presentation assisted your club.

LIONS INTERNATIONAL VIRTUAL CONVENTION

Every year the District Governor Elect travels to the International Convention to be officially inducted, this year it was supposed to be in Montreal. We started to make plans to all catchup in Adelaide, however, COVID threw us a curve ball so we had to quickly pivot. All the Q governors took ourselves on a local trip to Rockhampton to participate in the Virtual Convention instead, with our Australian Governor cohort all participating on a Zoom session while the Convention was running. The Convention commenced at 11pm and we were officially inducted at 12.30pm on the night of 29th June but early hours of the 30th June

HERE AND NOW...

11 days now into the role and the next part of the journey is our upcoming District Changeover and 1st Cabinet meeting next weekend. We are encouraging all clubs and members to ask any questions as we are here to HELP YOU.

GROWING OUR ORGANISATION

We should be very proud about our organisation and all our achievements, however, we are not able to grow and continue our wonderful work if we are not introducing new members into our family. We can simply **'ASK'** that community member, a Leo's, Youth of the Year, Peace Poster, Peace Essay family to join Lions. It is just a 50% chance that they will say **'Yes, I would love to'** or they might be able to be a Friend of your Lions Club.

Speak to our District Membership Team about the following documents **Membership Satisfaction Guide** (<https://temp.lionsclubs.org/EN/pdfs/me301.pdf>) and the **'Your Club Your Way'** (<https://temp.lionsclubs.org/EN/pdfs/DA-YCYW.pdf>).

SERVICE — BE SEEN

Being seen in our community provides us the opportunity to 'Ask' the community person do they want to participate in the club, however, it also helps the community to see what the impact you are making.

SERVICE CHALLENGE: at every event or project you

conduct, ensure you know the impact you are making and that you are informing your community.

Simply, remember, my speech two years ago about the changes the communication has made over the years from telegrams, mail, to email. Always look at your projects and assess their impact, change, implement, reassess, and repeat the process.

COMMUNICATION

Please share your stories, pictures of your projects via social media, our District newsletter and our website. If you ensure your club social media posts are public and tag the District into the post #District201Q1 we can help you reshare the news to the wider community.

I would like to wish everyone a successful 2021/2022 and remember we are here to help you. Let's make new history and success stories this year!

LIONS CAMP DUCKADANG NEWS

19 JUNE 2021

Hello, Fellow owners of Lions Camp Duckadang.
Yes, that's correct! Lions Camp Duckadang is owned by you, the Members of all Lions Clubs in 201Q1, Q3 and Q4. *My main message this month is to say 'congratulations and sincere thanks' to Clubs in 201Q3 for the way in which you have supported Lions Camp Duckadang through attendance at working bees, and especially through donations to ensure the Board proceeds with the priorities advertised back in March.*

The Directors hope you can pay a visit to the Camp this year. **The next working bee has been rescheduled to Friday 13- Sunday 15 August 2021.** You are always invited and welcome at working bees. Caravan sites will be available. Before bringing pet dogs, please check the rules with us. If you can attend, please **email Bernard Hayes on: lionbernie881158@outlook.com** to signify your attendance. Bernie will allocate tasks according to your skills and interests.

Directors have represented and have done presentations (or will do so) at these four District events: Zone 8 Meeting (ZC Meg Philp) on 10 June; Lions Club of Bracken Ridge Inc's Train Day 25th anniversary on 27 June; Somerset Area Business Expo and Brisbane Air Show at Watts Bridge Memorial Airfield, 801 Cressbrook Caboondah Road CRESSBROOK Q on 03-04 July; Secretary in Toowoomba on Sat 03 July.

The Camp is delighted to report that a Community Benefits Fund Grant application for over \$26 000, submitted by PCC Rodd Chignell has been successful, and that the major **upgrading of the swimming pool** (repairs/upgrade) will soon come to fruition. PCC Rodd also obtained an RACQ grant of \$6 260 to complete the replacement of **non-compliant beds**. Also, some

mattress covers are being purchased for a staged implementation.

Unless there are exceptional circumstances, Lions Camp Duckadang has always restricted requests for financial help to one per year ('The March Letter') as I personally realise the many requests made on Lions Clubs for help with local, District, Multiple District and International Projects. PCC Rodd also obtained an RACQ grant of \$6 260 to complete the **replacement of non-compliant beds**. Also, some **mattress covers** are also being purchased on a staged process of implementation. Have you visited LCD to ride on the **Zipline**? Students tell us it is an exciting activity! Very soon the **Climbing Tower** will be erected to make it easier to reach the Zipline. **Repainting of the interior of Bayley and Farmer Houses** and the roof to Farmer House are in progress. **Projects are happening!**

I know many of you live in areas which have experienced droughts, cyclones, floods, COVID19 and now mice – all in the period of a year or so. We all trust that most of these problems are now behind us. As in the past, Clubs wishing to donate to Lions Camp Duckadang may forward a cheque to: The Secretary Lions Camp Duckadang
P O Box 437 STRATHPINE Q 4500 or by direct deposit to Lions Camp Duckadang Westpac Bank BSB: 034-077 A/c # 227-217 **If you are using direct deposit, please email me the name of the Club and the amount. This will enable me to promptly send a letter of thanks and a receipt.**

Through everyone's support, facilities at Lions Camp Duckadang are progressing, and the Board looks forward to more improvements. Thanks for your understanding and valued support.
All the very best for the year ahead.

10 PRESIDENT'S PRESENT AND PAST CELEBRATE CAPALABA LIONS CLUB 50TH ANNIVERSARY AT GALA DINNER

To celebrate this milestone a 50th Anniversary Gala Dinner was held at the Old Courthouse Restaurant, Cleveland QLD on Thursday 13th May. It was a celebration of longevity of the club and also its history and more importantly, its past and current members. Current President Graham Ericksen welcomed back past 9 Presidents for the occasion along with Past District Governors, Incoming District Governors, past and present members, Councillor Adelia Berridge and Tess Rowley Author who both were the guest speakers of the evening. The MC for the event was Peter Ho, past District Governor for Lions.

MC for the evening was Past District Governor Peter Ho with our youngest member Sophie who joins Capalaba after 4 years as a Leo in High School

In 1971 the Lions Club of Capalaba was founded. It was its first club of its kind in the area. Twenty five men, (men only in those days), in smart suits and ties held their first meeting at the School of Arts Hall where Bunnings Warehouse now stands.

In 1974 the floods swamped Brisbane, the meeting hall became the store house for donated clothes and household goods. They also organised 50 new wardrobes funded by Lions and built at the then custom made furniture shop owned by Nev Billeau.

Fundraising initiatives increased. Projects included sausage sizzles, meat raffles, lucky numbers, Devonshire Teas and the famous Lions Christmas cakes. The fundraising helped many people and organisations. Two major achievements were in 1977 the funding for Meals on Wheels building,

and in 1980 a Girl Guides hut was built.

Capalaba Lions donated to families going through hardship, children with special needs, scholarships for high school students, donations to Sail-ability for the purchase of boats to give children and young adults with disability the opportunity to sail,

They have donated to flood victims, donated I-pads to Young Care and Redlands Special School, plus a 12 seater bus to Nandeebie Blue Care. Donated to Traction, Night Ninja's the lists go on.

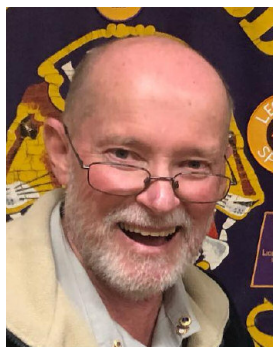

A slide show capturing photographs from the early days until now was shown during the evening, which bought back a lot of fond memories for members past and present.

TREASURER'S TRAVAILS

Hi everyone,

I hope that that the new Lions year will be a rewarding time for all of you. My name is Bruce Mellor and I am the

incoming Cabinet Treasurer. Over the past 20 years, I have been treasurer multiple times in two different Clubs and been on Cabinet 6 times previously, 4 of those as Zone Chairperson.

The last time I was Cab Treasurer was in 2005/06. Much has changed since those days. Email was in its infancy and electronic transfer of funds (EFT) was unheard of within Lions. All payments were made by cheque and the post office box was cleared daily.

Today, Club Treasurers no longer need to wait until the mail is received to pay the dues accounts. For the LCI dues, I would encourage each of you to login to myLCI and download your dues statement (if you are having difficulty doing this, perhaps your Club Secretary can help you with this. If you get desperate, contact me on the below email/phone numbers). I encourage you not to wait for the mailed copy of the invoice as this will almost certainly mean that your payment will not be in the same month as the invoice and you will be subject to exchange rate variations. If you are paying your LCI dues by EFT please pay it to the District Admin A/c (details below) using your Club number, top left hand corner of invoice, as the reference. Depending on the exchange rate, the LCI dues will be about \$30.00 per member.

I would also encourage you to send all international payments to me (International Dues, International Club Supplies, Life Membership, Melvin Jones Fellowship, LCIF Donation, Other US dollar payments (please specify)). I have a deposit sheet to transfer payments directly to the LCI bank account. Please do **NOT** send monies direct to Oak Brook.

For the MD and District dues, I will be emailing accounts to your Club email address over the next two weeks. Payment will be due in mid-August. MD dues will be \$22.90 (up 20 cents) per member and District dues will be \$11.00 (no increase) per member. There will be the usual bevy of insurances and other levies some of which are per member and some per Club. Also some will be payable out of your Community/Activities A/c. It is most important that the Admin Dues are paid into the District Admin A/c and that the Community items are paid into the District Community Account. Please don't be the Club(s) that does a single cheque or EFT payment. Again, please use your Club id as the reference (top right hand corner of the invoice).

The District bank account details are:

Administration A/c: BSB 014 202
A/c No. 9001 95229

Community Service A/c: BSB 014 202
A/c No. 9001 95317

Please make cheque payments out to:

"Lions Clubs International District 201Q1"
or a reasonable abbreviation thereof.

Address for correspondence and payments:

Cabinet Treasurer,
District 201Q1,
5 Maud St,
Sunnybank, Qld, 4109

Ph: **0413 020 559, 07 3345 1542**

Email: **cabtreas.q1@lions.org.au**

(Note: new email address.)

I promise that future Treasurer's Travails will be much shorter. In the next edition, details of an exciting MD incentive to form new Lions Clubs.

Cheers,
Bruce

ADMINISTRATIVE REMINDERS TO CLUB BOARDS

DG Nicole and I plan to issue reminders to Clubs on a regular basis throughout the 2021-2022 year. The items noted will not be an exhaustive list of tasks that Club Boards need to address at various times during the year, will be quite succinct and expressed only in general terms. However, this article is longer because of the importance of its contents.

In this July edition of DG Nicole's newsletter, we would like to remind Clubs that now is the time for the Board (especially the Treasurer) to begin arrangements for the financial statements for the 2020-2021 Lions year to be prepared so that the Auditor or approved Certifier can be given all accounts, receipts, Meeting Minutes and statements as soon as possible. Any changes to bank account signatories also should be done as soon as possible along with updating Internet banking arrangements. The Treasurer should ensure all Members are invoiced for their Club dues if this has not been done prior to the 30 June. Taking this action now will ensure that all LCI, MD and District dues can be paid by the due dates.

At the first Board meeting of the new Lions year, the Policy Minutes of the Club should be reviewed and ratified. At this time, consideration should also be given to reviewing the Constitution to ensure that it is current and in accordance with Lions Clubs International's and any State legislative requirements. If your Club has an ABN (Australian Business Number) it will have a "public officer" listed with the ATO. The identity of this person should be checked and the ATO advised if a change needs to be made.

Clubs that are incorporated under State legislation are required to hold an AGM. As this cannot be held until

the certified Financial Statements for the 2020 – 2021 year have been received, the AGM is generally held around September. Queensland legislation requires that, if the Secretary, President or Treasurer change, then Queensland Fair Trading department needs to be advised within one month. Use Associations Incorporation Form 10a.

Similarly, NSW Fair Trading requires that, if the Public Officer changes, then the change needs to be made within 28 days of the change. Use NSW Fair Trading Form A9.

These requirements would apply to almost all Incorporated Lions Clubs because the tenure of Club Board members finishes on 30 June each year, several months before a Club can hold its AGM and subsequently submit the annual returns to the relevant State Fair Trading departments.

Finally, check that the monthly membership reports to LCI are done on MyLCI by 20th July. This is one obligation of chartered Lions Clubs.

The Cabinet Secretary, Cabinet Treasurer and I are readily available and willing to help Club Officers with any problems. Please don't hesitate to call Cab Sec Di on 0499 604 516, Cab Treasurer Bruce on 0404 035 884 or me on 0412 285 618.

What Zone 7 members would change about Lions in General

"Encourage younger people to become part of the Lions organisation. There is a perception in some parts of the community/society that service clubs are for "old" people. Increase public awareness of what we do & why we do it all levels global, national, district, club. Remove the new member joining fee for clubs. Embrace modern technology & methodologies. More electronic record keeping & less paperwork. Add to that, the need to provide & make available the necessary training to members (if required)." - Logan Village

"Modernise our systems – more electronic records and less paperwork & Encourage younger people to become a part of Lions." - Rochedale Springwood

Logan Village

Do Zone 7 Clubs have any unique project that they do.

Woodridge Kingston

"Annual achievers award to two special schools to recognise students who may not have been the best in school but have tried hard to overcome their own personal difficulties. This consists of a perpetual trophy for the school; an individual trophy for the student and a dinner for them, their parents; siblings and teachers at one of our dinner nights." - Rochedale Springwood

"We have run a quiz which was very popular. We raise funds for a challenged little girl and help out with foster children." - Logan South East

Zone 7 Clubs Favourite Project? (Either club, District, MD or International)

"Would be the onsite support that we give to residents of Logan House (we have an annual Christmas BBQ breakfast that we put on and sometimes other hands-on projects throughout the year); the Gunfire Breakfast we used to help to cook and then serve to former servicemen and women and the public after the annual Anzac Day Dawn Service; and again, the onsite support that we give to residents of the Trinder Park Nursing Home." - Woodridge Kingston

"Any projects that benefit the local & broader communities and society in general. If we were to select a few then: - Logan Village Charity Golf Day, Lions Blood Cord Foundation "Grocery Grab", ANZAC Day gunfire breakfast & Variety Bash Queensland 2021." - Logan Village
