DECEMBER 2021

DC *Nicole Phillips*

It is the month of festivities from Christmas Present wrapping, selling Christmas Cakes, Puddings and not to forget dressing up as Santa or little Elves. I am wishing you all the happiness over Christmas ensure to enjoy

your time with family and friends.

I understand it has been a very frustrating time with the delays with your deliveries, however, we have found other ways to work together to continue our Christmas Cake selling. To all those clubs who have come together to help each by swapping Christmas Cake stock, or simply taking someone's name and phone number to let them know when you have stock– Thank You.

I would like to pass on our heartfelt wishes to the Inglewood & Goondiwindi communities in the recovery efforts from the floods which occurred a few weeks ago. The Inglewood Lions Club are providing food hampers to those in the community who need assistance. I would also like to recognise Zone Chair Philip for all his updates on the situation out west and Goondiwindi Lions Club assisting their community in the recovery efforts. This really proves that when clubs and communities all band together so much work can get done!

The District Leadership Team conducted a Guiding Lion course in November which was facilitated by Jorge Salles – Thank you Jorge.

**Congratulations!** to the following Jenny Maguire, Johnson Chen, Kerry Kilpatrick, Libby Salles and Sophia Argyrou who are now certified Guiding Lions to gain further knowledge and assist our District.

On some very exciting news Lions Australia have our first Ambassador to be an advocate for the

Skin Cancer Screening and detection programs. She shared her own personal skin cancer battle at the 2021 Lions Convention in Canberra expressing how important it is to get regular skin checks. See the full article here.

### **CELEBRATING 75 YEARS AND COUNTING OF AUSTRALIAN LIONS ALWAYS BEING THERE!**

There is just under 12 months remaining for you to start planning a commemorative garden or another type of anniversary event. Please visit the Lions Australia Website

<https://lionsclubs.org.au/members/lions-australia-75-years-and-counting/> > Members to access plenty of resources anything from Banner Artwork, Zoom backgrounds, Template Letter to your local Council... let's celebrate our wonderful organisation and tell the community what we have accomplished and what they can do to help and join us.

To all the club executives who have either new to the role or have been in the role prior, well done on completing your first 6 months and let's keep the momentum going for the next 6 months – Think BIG!

Ensure to guide, mentor your members, have fun, find new activities to do over the next 6 months. Think of conducting a brainstorming session or anonymous survey to find out what your members are interested in.

Our organisation has many volunteers who have different personalities and temperaments however, we are all here to do the same thing ... which is 'We Serve'. Each person provides our organisation an extra pair of hands and if we loose an extra pair of hands this will reduce our serving capabilities. It is important that we remember we are all volunteers and we are here to Serve with

### **DECEMBER MONTHS QUESTIONS TO START THINKING ABOUT:**

1. Have you ensured that you have been reporting your service activities, updating your Lions and Leo membership?
2. What is your plan for the next 6 months?

In my previous articles I have asked you questions to think about which were:

1. **"Why?"** are you in Lions?
2. Have you set your **3 – 5 year strategic plan or goals** for your club? If not Why?
3. Have you got a greeter at all your events to approach the community and ask "Do you know Lions do in your community?"
4. Created a Marketing/Promotion Plan?
5. Have you reviewed your Constitution & Policy Minutes? Is it up to date?
  - a. If you are up to date let our CBL Rob know [cbl.q1@lions.org.au](mailto:cbl.q1@lions.org.au)
6. Have you thought about having an assistant secretary or treasurer to help with you succession planning?
  - a. If you are currently doing this please let our District Leadership Team know [glt@lions201q1.org.au](mailto:glt@lions201q1.org.au)
7. How can you ensure to have fun while selling Christmas Cakes?
8. How can you utilise this time of year to really promote your Lions Club and your achievements this year?

Remember always assess a project of the effectiveness, adjust, implement, reassess and repeat.

**Don't forget SHARE your achievements.** If you need any assistance please "Just Ask!"

I would like to wish each and every member a

## TREASURER'S TRAVAILS

Hi everyone,

Well, it is December already. I would like to thank you all (except one Club still outstanding) for having paid your LCI, MD and District dues.

As Your Club will most likely be closing down for a month or so over Christmas, now is the time when you, together with your President and Secretary, should be considering your Club membership and whether there are any members who should be dropped for non-attendance or financial reasons. Invoices for the next half-year will be sent out in early January based on LCI membership records as at 31 December.

If your Club looks after a school-based Leo Club, it is most important that your graduating seniors are dropped before 31 December and that new Leos are added in February.

Prompt attention to all of this will ensure that, as far as possible, the invoicing will reflect actual numbers of Lions and Leos in the District.

Finally, as we head into this festive season, I would like to wish all Club Treasurers a very happy Christmas and a prosperous new year.

Lion *Bruce Mellor*

District 201Q1 CABINET TREASURER 2021-2022

## ADMINISTRATION HINTS AND REMINDERS

Clubs are reminded that, by now, annual general meetings should have been held at which

audited or certified financial statements should have been adopted. Board members are responsible for ensuring that these statements accompany the returns to the Offices of Fair Trading in your state, and that this is done as soon as possible after the AGM.

The end of December is fast approaching. It is important that any dropping of members is done by 31st so that dues are not raised by LCI, MD and District for those members. 1st January is too late! Also, please ensure that the WMMR is completed by the Secretary or other authorised Lion.

Now would be a good time for Clubs conducting Youth of the Year activities to recruit Judges, and at the same time asking them to have Working with Children checks as I understand that this requirement remains Multiple District policy and applicable to YOTY activities.

## THE PBC LEOS CLUB

The PBC Leo's Club is a charity club with a wide variety of 30 passionate students from years 7 to 12. The Leo's had a great year participating in several social activities, fundraisers and donating to many organisations. A few organisations that we donated to include:

- Baby Give Back - \$700
- The Smith Family - \$624
- Fred's Place - \$600
- Girl Guides and Scouts - \$500
- Currumbin Special School - \$200

The Currumbin Wildlife Sanctuary visited PBC Leo's and talked about the sanctuary and adopting an animal. We will be adopting a Koala, Echidna and donating an additional \$250 to the sanctuary.

To raise money for these worthy causes, our main source of income is our weekly IGA BBQ which takes

place on a Saturday morning at Currumbin Fair. We additionally raise money through our occasional Bunnings BBQ's.

Despite Covid-19 restrictions and lockdowns, the PBC Leo's participated in many community and social events including volunteering at Baby Give Back, preparing breakfasts for the students at Currumbin Special School, marching in the Gold Coast Beach Parade to save the koalas, Clean up Australia Day and others. We have also started our own Instagram account! - @pbc.leos

Future events planned for 2021 include a trivia night to raise money for Multiple Sclerosis research, Relay for Life and a Christmas performance at a local nursing home. We plan on helping wherever we can and

thrive when we are volunteering in the community. If you would like to join the Leo's, please come along to our weekly 8:00am meeting in 101 on Wednesday mornings or email [pbcleosclub@gmail.com](mailto:pbcleosclub@gmail.com) for more information.

## LEO COORDINATOR REPORT

Hi Lions

I had the privilege on Tuesday evening to join with DG Nicole, my wife Vicky and the members of the Upper Coomera Lions Club and most importantly the Leo Club of Livingston Christine College to celebrate 3 major events. Firstly DG Nicole inducted 4 new members to the Leo club Secondly DG Nicole then inducted the new board for the 2022 year and thirdly we were there to Celebrate the Leo Clubs 10th Birthday. Also in attendance on the night were the school faculty advisors, past & present and some other past Leo members of the club who wish to continue on their Leo Lion journey.

Therefore if there is any club on the Lions Gold Coast who would like to be involved with an Omega Leo Club. Don't be shy, give me a call and I would be happy to attend your club meeting and inform your members on what is involved in being a sponsor club for a Leo Club

And in closing on behalf of the all Leo's of Dist. 201Q1, I would like to wish all Lions and their families a Very Merry Christmas and a Happy and Safe 2022

## ESSENTIAL TREMOR FOLLOW UP

Recently I was fortunate enough to have an article published in the District 201Q1 Lions Newsletter about Essential Tremor .

I thought a follow up was warranted to further enlighten my fellow lions as to the effects that has on those unfortunate to have Essential Tremor.

Tremor is an unintentional , rhythmic muscle contraction over which there is no control.

A few facts: ET and Parkinson,s are both neurological tremors. ET It is considered the most common form of tremor estimated to be up to 5 or 6 times more common than Parkinson's and this goes largely undiagnosed or misdiagnosed, often mistaken for Parkinson's Disease.

Essential Tremor is a condition affecting an estimated 800,000 Australians.

Parkinson's Disease

The most significant difference between tremor associated with Parkinson's disease and tremor associated with other conditions is that Parkinson's disease is typically a resting tremor meaning it is present when an individual is at rest and goes away when that individual is active.

Parkinsons as it progresses can cause other health problems, a decline in movement and bodily functions etc

Essential tremor differs from Parkinson,s in that the tremor becomes an action tremor meaning that the shaking increases when a person is active and decreases when the person is at rest

ET can progress over time making simple everyday tasks that are mostly taken for granted the most difficult things to do.

Things that come to mind are writing ,cleaning one's teeth, shaving, drinking, applying makeup to name a few.

People with ET start to become conscious and embarrassed in public about their condition and start

to withdraw from social interaction.

There is a lesser known side effect of Essential Tremor and Parkinson's disease is a weakened voice which can lead to speech and swallowing issues .

There are no specific medications to treat ET some are mildly helpful but as usual these come with side effects

Tremors can be caused by many things including Caffeine , certain medications, alcohol, Illegal drugs, and stress.

ET tends to show up in hand movement and more so on the dominant side it can also cause voice tremor, head nods and can be a full body tremor.

ET also seems to show up in later life 50s 60s but can afflict persons of any age, gender or race ,if one of your parents has ET then you have a 50% of inheriting it as it runs in families.

Surgical Options. These options are expensive costing up to \$30,000.

DBS deep brain stimulation is an operation where probes are inserted into the brain with a pulse maker placed under the skin which can be adjusted by your specialist to help control the tremor. This is reversible

FHUS Focused high frequency Ultrasound is used to destroy part of the brain to alleviate the tremor. This is not reversible

Gamma Knife similar to FHUS This is not reversible.

Botox is also used for ET treatment in particular vocal cord tremor.

There are a number of support groups around the world in the USA The International Essential Tremor Foundation.

In the UK The National Tremor Foundation.

Australia has a number of support groups Goulburn Valley Essential Tremor Group

Southern Qld Essential Tremor Support Group . Granite Belt Essential Tremor Support Group .

These groups can be found on social media platforms on the internet
