EOFY WOOW!!!!

Well... we have all started to wind down and conduct all our handovers in our District from Leo's and Lions Clubs, District, Multiple District and International. We will be all

celebrating what we have achieved in the past 12 months and looking into the future to what we will achieve in the next 12 months but also planning for the next 3 > 5 years.

About this time exactly 12 months ago I was in Rockhampton with fellow Q District Governors watching the Lions International Convention and being sworn in virtually, now I am writing my last newsletter as Q1 District Governor for 2021/2022. Since then, there has been some virtual club meetings, cabinet meeting – even hybrid however, we are experiencing less virtual meetings as restrictions have eased.

Below I have listed some statistics of what Clubs have achieved which have been recorded on MyLCI.

- Many clubs have been either raising funds to donate to ALF or direct to other Lions Clubs to assist in the Flood recovery efforts – A BIG THANK YOU on behalf of everyone for your support
- Participating in projects/event which cover our 5 Global Causes (Diabetes, Vision, Environment, Hunger and Childhood Cancer) don't forget to get those lovely banner printed with these shown
- For clubs who are participating in the 'Plant a Seed of Hope' where the aim is to have 75 gardens in Australia – Thank you

- Clubs have reported the following
 - o Number of Hours Volunteers: 56,686 hours
 - o Clubs Reporting: 76%
 - o Total Funds Donated: \$14,162.70
- Membership as of 25th June:
 - o Added members: 158
 - o Dropped members: 253
 - o District Total Membership: 1414
- Leadership (online Learning in the Learn)
 - o Learning Events in FY: 71
 - o Participants in FY: 387
 - o Unique Participants in FY: 119

During this year we have experienced several floods over our District and I cannot thank everyone enough for all the tireless hard work and dedication to our community. We have not only had devastation here in our District but in Tonga and Ukraine I wish to Thank you for supporting these appeals as well. I know that all our work is greatly appreciated and everyone should be proud and talk to everyone you know about what you have supported.

My deepest and sincere thoughts are with everyone who have been affected by the flooding over the last few months, we are a resilient bunch, however, please ensure you look after each other as well to ensure that everyone is safe and well.

Leos Thank you for your service to our community as well and I understand that it has been hard for some Lions Clubs to get into the schools due to restrictions, please persist and do what you can to continue to engage with our Youth. Don't forget we have the ability to use the phone and Zoom/Teams to still keep in touch with our Leo's and mentor them. **Congratulations** on those Leo's who have received a District Governor Serve with H.E.A.R.T award.

PLANTING SEEDS OF HOPE

Robina Lions Club has been conversing with City of Gold Coast for some time about the 75 years Lions Celebration Garden. Council have given us a plot in the Display Gardens section of the Benowa Botanical Gardens at Ashmore. The Mayor Tom Tate will be officially opening the garden at 10 am on 7th September and we have asked the DG Elect Ian Bruning to be there as well to officiate.

Council are providing a birthday cake and a coffee van will also be there. We are asking if as many Lions as possible could attend to make it a great celebration as Council is providing a photographer as well.

The Garden will stay in place for 12 months, be in Lions colours and have a Lions Logo and 75 years planted in flowers. The garden will be refreshed in 6 months and our guests at the Multiple District Convention in 2023 will be invited to view the garden as well.

It would be great to have a sea of Lions shirts at the celebration and we are trying to have the media there as well so will be a great promotion for Lions.

The Award was presented to our Secretary Vicky Clark

Vicky was awarded the Service with HEART as Secretary of Robina Lions Club, she serves our community with Honesty, Empathy, Acceptance, Respect Trust

Vicky, as secretary has the Robina Lions Club phone with her and is the first point of contact for our club

When you search on line for clubs on the Gold Coast, Robina Lions Club seems to come up first, thus Vicky receives some very unusual and interesting calls.

Thus Vicky receives an average of 10 calls daily and as the voice of Robina Lions she answers every call with an open heart.

Vicky gives each caller the time, assistance, understanding and guidance required and is often going above and beyond for many callers.

One call Vicky recently received Vicky went well above and beyond to assist the family in need.

Vicky searched and called a number of organisations and Lions Clubs to get the much needed and valuable assistance this family required.

I think she would have made over 30 calls in the following days to assist this family and they were very grateful.

The Lions community came together to provide immediate and ongoing assistance to this family.

Vicky, although she carries the name of Robina Lions Club Secretary she is the beating HEART (Honesty, Empathy, Acceptance, Respect Trust) that keeps our club running.

CAPALABA LIONS CHANGEOVER

Last Saturday 18th June, the Lions Club of Capalaba hosted their annual Changeover event for the first time in three years due to Covid. Past president Graham Ericksen welcomed incoming president Christine Cufflin to the role and inducted the board of directors for 2022-23.

Christine, who joined the club two years ago, said she was delighted to take on the role, "Thank you and congratulations to our now Immediate Past President Graham," she said. "Your dedication, leadership and ability to

generate fresh ideas has truly shaped our club to be the one it is today – a happy and healthy one."

Christine first got involved with the Lions Club after her three daughters joined their school's Leos Club. "All three girls participated in the Youth of the Year competition and Nicole also received a very generous high school scholarship from Lions Capalaba, which supported her financially through her final three years of schooling. I wanted to give back to the local community and show my gratitude for the wonderful opportunities the Lions Club gave my girls".

"Thank you to local members Don Brown MP for Capalaba, Henry Pike MP for Bowman for attending today and for their work representing the local community.

"It's important that the Lions continue maintaining our

presence in the local community and there are so many opportunities for us to collaborate and work on joint projects with you."

State member for Capalaba Don Brown congratulated Mr Ericksen for his three years of service as president in the community. "I look forward to working with Christine, who I've known for some time," he said. "I have worked with Christine for half a decade at the Alexandra Hills State High P&C and now look forward to again working with her in her new role."

Local organisations who attended the Changeover, included the Lions Medical Research Foundation (LMRF), Sailability Bayside, Redland Community Centre and Redland Museum. "Thank you to LMRF, Sailability Bayside, Redland Community Centre and Redland Museum for coming today and we look forward to supporting you again this year," Christine said.

At the event, the Lions Club of Capalaba handed all four of the organisations checks

ranging from \$1,000-\$5,000.

Sailability Bayside, who run sailing trips from Manly for people with a disability, were awarded a \$5,000 cheque.

"We just want to thank the Lions for all the money they've raised for us over the past year", Wayne Norris said,

"Without your donations we wouldn't be able to bring the smiles to so many faces."

This year alone, the Lions Club of Capalaba has donated a staggering \$174,000 to the local community, most notably \$58,000 to LMRF who provide funding for health and cancer research.

Raffle tickets sold at the Changeover event raised over \$400, which will be donated to the Redland City Animal Shelter to buy blankets, food and toys for the animals.

Nicole Phillips District Governor was emcee and inducted the board for of directors for 2022-23, it was great to see Lions from Calamvale, Brisbane Camp Hill Carindale, Redland City, Redland Bay Victoria Point, Sandstone Point and Apple Maq join us for the changeover. It is great to see clubs supporting each other.

'EVERY TIME YOU TEAR OFF A CALENDAR, YOU PRESENT A NEW PLACE FOR NEW IDEAS AND PROGRESS.'

Australian Lions Hearing Dogs (ALHD) has just launched our 2023 Calendar! The calendar, like all before, features adorable 'shoots of our pooch'-es this year. All our dogs in training are hard at work, preparing for the day when they can get out there and do what they do best: support and change the lives of people who are deaf and hard of hearing!

Our pooches have worked hard and deserve the respect and recognition of our popular calendar.

Happy and poised on the 2023 calendar cover is our beloved Bear, a Pomeranian mix who's a part of the rescue program. He was adopted from Yorke Peninsula Puppy Rescue and joined our team in February 2022.

Under Cadet Hearing Dog Trainer Carly's tutelage, Bear has taken all lessons in his stride and mastered almost all his training where he now is on the final and most important step – what to do when the smoke alarm goes off. ALHD believes Bear will graduate with flying colours as he is a highly-focused and motivated dog, one who rarely takes his eyes off his trainer, and will do almost anything for a treat! With how well things are going, Bear has been scheduled to meet his client in September 2022!

If you're keen to see more adorable faces on your wall, or interested in supporting ALHD, check out the array of merchandise on our website shop on www.lionshearingdogs.com.au/shop

My name is Victoria, I am a new member the Logan Underwood Lions association however this is not the first time I have been associated with Lions. I had the great pleasure and opportunity of being part of a Leo Club during my high school years. I have very fond memories of my time as a Leo and thoroughly enjoyed the friendships made and of course our fundraising endeavours (particularly selling roses on St Valentine's Day!)

I can attribute my understanding of what it means to serve the wider community from the mentoring our Leo Club received from the local Lions association; and with that in mind I ask that you take this on board and consider the benefits of mentoring or sponsoring a Leo Club, as it is from these Leo cubs of that great Lions can be born.

ADVANCED LIONS LEADERSHIP INSTITUTE (ALLI) EXPERIENCE

The program is aimed for Lions pursuing additional leadership roles and responsibilities in their respective zones, regions, and districts.

Dates: 27-29 May 2022

Location: Brisbane (Hotel Grand Chancellor Brisbane)

Participants sharing their ALLI experience

1. Lion Tim Trainor (Logan Underwood)

"The ALLI course I have just attended in Brisbane was brilliant. The facilitators, content, delivery, and the opportunity to interact with so many of my fellow Lions was a fantastic experience.

LCIF and the Learning and Development team are outstanding. I really enjoyed the professionalism, enthusiasm and the challenge that was so evident on this course.

For me I learnt a great deal about Lions, meet new faces, enjoyed the fellowship and I am very grateful for the opportunity to have participated in a truly inspiring Institute.

Benefits of this course included Leadership, Conflict

resolution, Service Journey resources, delegation, Developing Extraordinary teams, Developing the Lions Leaders of tomorrow, succession planning, S.W.A.T analysis and promoting the Lions Image.

I look forward to serving my fellow Lions with knowledge and the confidence to develop further in lions.

Thank you to those in my District 201 Q1 who nominated and supported my application for ALLI.

I would certainly recommend ALLI to all Lions who wish to advance their skills and knowledge for the benefit of all Lions."

2. Lion Kerry Kilpatrick (Brisbane Camp Hill Carindale)

"It was a great experience and thoroughly enjoyable I am so glad I was able to attend. The conversations and camaraderie were fantastic and I made some great new friends that I will be in touch with for years to come.

The presenters I had were first class, they knew their material and presented in an engaging way and facilitated discussions.

The benefits I saw were a number of specific topics - conflict resolution, a better understanding of grants available, presentation skills, building leaders for tomorrow. That said I think one of the most beneficial things were talking to other Lions and seeing how things are done differently in other clubs and districts; this is invaluable.

I would recommend this to any Lion that wants to increase their knowledge and advance on the Leadership route."

3. Euan Stevens (Logan Village)

"What an amazing weekend (3 days actually) attending and completing the Advanced Lions Leadership Institute (ALLI) program at the Hotel Grand Chancellor Brisbane.

An incredible experience. Three long days of learning & bonding with a fantastic group of like-minded people from all over the country.

It wasn't all just work work work a lot of fun too and

a few end-of-day therapeutic beverages were thrown in as well just to take the edge off 🍷🍷.

I have no doubt that this program will benefit all of us as we continue on our Lions journeys & I look forward to renewing acquaintances in the future.

Kudos to the Institute organizers & facilitators for delivering a wonderful and very informative program.

The only thing I would possibly add is if you get the opportunity to apply/attend, DO IT! You won't regret it!

Thank you for the opportunity."

4. Natalie Reinke (Redland Bay - Victoria Point)

"I was thankful to be accepted to attend ALLI as I have participated in RLLI (Regional Lions Leadership Institute) and ELLI (Emerging Lions Leadership Institute). By attending ALLI I build on my previously learnt skills from past leadership Institute. The Institute started before we arrived with us connecting with our preselected group members to complete group assignments. This was a great way to meet some fellow Lions from different Districts in Australia and instil teamwork within us - just as Lions should.

While at the Institute I was able to meet and chat with Lions from our MD District and form new friendships. The instructors were passionate and lead informative classes on a range of topics. There were opportunities for individuals to complete activities and time for collaborating with others and sharing with the class group. We were divided into two groups with the same schedule and there were some combined topics for both classes.

Lots of opportunities for social interactions with breaks and dinners spent together as we spent the whole three days together having the opportunity to converse with fellow Lions to gain new perspectives."

HAVE YOU BOOKED YET FOR THE ANZI-PACIFIC FORUM?

23-25 SEPTEMBER 2022

**CAIRNS, TROPICAL NORTH
QUEENSLAND**

The ANZI-Pacific Forum is less than 3 months away, so you need to plan now to be in Cairns in September to be part of it.

The Forum provides a rare opportunity for you to attend an international Lions event in 'your own backyard'. It is a place where you can learn something new, recharge your batteries and find new inspiration in Lions' service. It also gives newer Lions a chance to get some idea of the scope of Lions projects and activities.

You can meet the current International President and other high-profile figures within Lions International. You can interact with the presenters in the small-group seminars, and enjoy the friendship and fellowship of like-minded people from near and far.

The Pullman Hotel is the venue for the Forum and the two evening functions. Discounted rooms are available there, but there are plenty of other accommodation options in Cairns. Don't leave it too late ... it will be school holidays so bookings will be heavy.

Visit the website for more details and register now:

We hope you will join us for a great weekend of 'tropical kindness' in Cairns.

Taking the pain out of semi-annual dues

There is one thing that Lions are rightly proud of – we pay our own way! Unlike many voluntary organisations, Lions members do not use publicly donated funds to cover operational costs. Every member pays fees from their own pocket to cover the administration at club, district, national and international level.

This means we can confidently tell the public:

‘100% of your donated funds goes to our humanitarian causes.’

Spreading the cost

Lions members are diverse. We are working people, young people, retirees and pensioners all contributing to the valuable work of our clubs. We recognise that it may be harder for some of our members to meet the cost of dues every six months, particularly if there are other costs to manage, like club dinners.

Of course, the cost of dues is usually less than \$5 per week, so why not ‘spread the load’. With the agreement of the club Board and Treasurer, why not let your members pay on a periodic basis?

You can do this by either:

- Encouraging members to “direct deposit” on a periodic basis, or
- Setting up a “Direct Debit” through a third-party company or your bank.

If your members were to set up a direct deposit of \$10 per fortnight (or an amount that will cover your club fees) into your administration fund, this will cover the cost of dues. This benefits the members and the club.

For the member, it spreads the cost into manageable amounts. For the Club Treasurer, it means that they won’t have to chase members for dues ever again. It also means that if a member resigns, they will have paid their dues up until the date of resignation.

There is, of course, some additional book-keeping work that will need to be considered

Other support

For some members, the cost of a club dinner every month, or fortnight, may be onerous.

Clubs may wish to consider commencing meetings with a purely social dinner, allowing members to join for the formal meeting afterwards. Alternatively, clubs could commence with a meeting, and allow members to choose if they wish to stay for dinner.

Let’s consider ways to not only be flexible, but make membership affordable for everyone, so that we can continue to help our communities and make a real difference.

Has your club planted a Commemorative Garden?

By September 2022, our aim is to have at least 75 Lions gardens planted throughout Australia to celebrate our 75th Anniversary.

We've been keeping count and sharing progress photos of our gardens on our Facebook page here: www.facebook.com/Lions75Gardens/

If your club hasn't started, now is the time to plan your garden.

THE DIGITAL VERSION OF THE LION IS AVAILABLE ON OUR WEBSITE HERE.
