**BUILDING A STRONGER TOMORROW**

AUGUST 2022

Welcome to the second month of the new Lions year. Hasn't time flown. We celebrated District Changeover at the end of July at the Southport Yacht Club attended by almost 100 Lions. A great night was had by all and congratulations to those Lions recognised by IPDG Nicole. The following day we ad

our first District Cabinet meeting and all the District Chairpersons are putting their plans into action. A big thank you to Robina Lions Club for looking after us with a venue and great catering.

**BUILDING A STRONGER TOMORROW**

AUGUST 2022

I will be supporting Robina Club's 75th Anniversary garden project by attending the Grand Opening of their Lions Garden by the Gold Coast City Council Mayor on the 7th of September. This is one of many garden projects celebrating Australian Lions 75th Anniversary.

I recently attended Lions Clubs International Foundation (LCIF) training for District in Sydney which was very informative. Did you know that since the foundation was formed in 1968, Lions around the world have donated 1.74 billion Australian dollars and Australian Lions have contributed 18.142 million dollars? The LCIF campaign alone raised \$325,265,471 US dollars. We should all be proud of the fact that 100% of all LCIF donations go to support those in need as there are no administration costs taken from donated money. There are very few service organisations that can make that claim. I urge clubs and members to support **OUR** foundation.

Therese and I dropped in on the Tamborine Village Lions Club market to support their long running project and to catch up with the club members. We had a lovely morning browsing the market and sampling the local fare. We also caught up with Logan Village members at their fundraiser for the Variety Bash Queensland and wished them well on their adventure.

We also attended the Lions Club of Brisbane United Asia Business Changeover and fundraiser for ALCCRF. It was a great night and a big thank you to President Serena

Denis for a great night and the funds raised for Childhood Cancer.

We had the pleasure of attending Kyogle Club's 70th Anniversary. It was wonderful to see members past and present being recognised for their service to Kyogle by the local State member, Mayor, and the President of Kyogle Rotary Club. I had the honour to present Lion Bob Scarborough with a 50 year service medal from Australian Lions Foundation. I wish to thank President Tony Lickiss for the Club's fantastic hospitality.

I look forward to hearing about your 75th Anniversary activities and other projects that are serving our communities. Wishing you a wonderful and productive September and remember, "Together We Can" which will help us all in "Building A Stronger Tomorrow".

Kind regards – DG

## PEACE POSTER 22/23

(<https://www.lionsclubs.org/en/start-our-approach/youth/peace-poster>)

Each year, students ages 11, 12 or 13 (age as of November 15 2022) are eligible to participate in the International Peace Poster Contest (<https://www.lionsclubs.org/en/start-our-approach/youth/peace-poster>).

The Peace Poster gives students the opportunity to express their visions of peace and inspire the world through art and creativity.

## This year's theme is

### “Lead with Compassion”.

With the world in constant turmoil, we invite young people to explore and express the peaceful future that compassionate leadership brings.

What does it mean to lead with compassion?

To watch a video of last year's international winner with the theme “We are all connected”, Anja Rozen, visit

<https://www.youtube.com/watch?v=4acZrVzYGbY>

Last year, Australia also received a merit award for the entry below, submitted by Hanna Roberts – such talent!

You can also view more examples here

## PEACE ESSAY 22/23

(<https://www.lionsclubs.org/en/peace-essay>)

The Peace essay follows the same theme as the poster and gives visually impaired students the opportunity to express the theme through a creative writing entry.

To watch a video of last year's international winner, Shreya Zoy, visit

In 21/22 in our very own District, the **Brisbane Camphill Carindale Lions Club** submitted the winning international entry by Joshua Wood. Could your club be the next international winner?

# “Serving with extra Heart – from a Roll”

Imagine the only communication that you have with another person is the daily meal being delivered by a very kind volunteer. The only person that you can say “hello how’s your day” to, and they in return will take a moment to chat with you, and make sure that you are OK and doing well. In most times, they are the sole communication with the outside world for the week.

Imagine then having that kind volunteer showing that little extra bit of kindness due to some lovely Lions Club volunteers. The Lions Club volunteers that provide a little something on “special days” to make you smile.

Well that is what the Lions Club of Griffith University is doing along with their Krafters Group.

For the past few years, but even more-so over the recent times of Covid-19, the Lions Club Griffith University members and their Krafters Group have partnered with the Sunnybank and Acacia Ridge Meals on Wheels, to provide a much needed service other

than the daily food delivery, they provide a little gift on those “special days” to let the clients feel remembered and feel loved.

Meals on Wheels offers much more than the food delivery run, it is a service that brings a sense of security to their clients through their daily visits. Because they don’t leave the meals in an esky, because they have direct

contact with the clients, they are able to check on them and check on their well being. Being able to then give the extra gift on the “special days” is a great way to see their demeanor instantly change.

Whether it be Easter, Mother’s Day, Father’s Day, Melbourne Cup or even Christmas the humble toilet roll tube has with a little imagination has been turned into a wonder of different gifts. Easter Chickens on the outside and Easter Eggs within for Easter, Horse Races on the outside, Jelly Beans within and a cute

# BUILDING A STRONGER TOMORROW

AUGUST 2022

knitted jockey cap for Melbourne Cup, Frogs with a Lily Pad on the outside for Father's Day and then a decorated Christmas Tree on the outside with

yummy chocolates within for Christmas – they are all crafted by the Lions members & Krafters Group and lovingly given out by the Meal Delivery Volunteers.

The small amount of time that the Lions & Krafters are giving in making the small gifts, is given back tenfold when

the clients receive it. And when you think about it, it is giving service under the Lions Global cause of "Humanitarian" service and also very much giving service under the MD201 cause of "Caring of our Elderly". They are providing Kindness, Love, Empathy and more-so Emotional Support to the Meals on Wheels clients. The Lions Club has advised they will continue to make the "special gifts" for as long as they can.

Along with the International President's theme of "Service from the Heart" and the 201Q1 District Governor's theme "Serve with H.E.A.R.T" – the Lions Club Griffith University and the Krafters Group are certainly giving lots of "Heart" whilst they "SERVE".

Imagine now having your heart warmed & a smile on your face by receiving a toilet roll.

## **Australian Lions Hearing Dogs Welcomes new Chairperson**

We are thrilled to welcome PDG Norm Alcock as the new Chairperson of Australian Lions Hearing Dogs. Norm is no stranger to ALHD, being the previous National Coordinator for the Lions Fundraising & Partnerships Committee, Norm regularly participated in board meetings for the organisation and supported where able.

Norm brings with him a wealth of experience in Lions Australia, and has shown his commitment and passion for Australian Lions Hearing Dogs, our staff, Hearing Dog recipients, and our supporters including all Lions Clubs.

Please help us in welcoming Norm aboard to our team.

## **National Dog Day: 26th August 2022**

It's safe to assume that most of us love dogs; but at Australian Lions Hearing Dogs, we really like dogs. This National Dog Day, we'll be celebrating all of our dogs – from our Hearing Dog Trainees with bright futures ahead of them, to the dogs nearing retirement or old age. The mums and the pups, our future Medical Alert Dogs, and the few who don't quite make it – we just adore each and every one of them for the joy they bring to our lives.

AUGUST 2022

## Global Leadership Team: Training Coordinator

Treasurers would have completed the challenge set, and have now logged onto the MyLion – Lions Learning Centre and have completed the “Learning Path” & “Responsibilities” modules for each of the executive positions. If you haven’t had a chance yet, that is ok, there is still plenty of time. The learning modules are “self paced” and you can complete them in your time.

### MyLion – Lions Learning Centre

Whilst in the MyLion Lions Learning Centre, some more Courses & Learning Paths available to help you out with improving your “skillset” (your Toolbox) include :

- \* Goal Setting
- \* Conflict Resolution
- \* Delegation
- \* Effective Listening

The content in these modules will help you better manage the duties you’ll do in your role in your Club. You’ll be able to be better equipped to handle matters should the need arise.

### MyLion - Online training on entering your Club’s projects

To help new officers with entering projects into MyLion to record your Clubs service activities, we will be doing online training, and going through “live” how easy it is to enter your projects. There will be two times available to attend the training :

- Saturday 10th September @ 9.00am
- Thursday 29th September @ 7.00pm

Please email [training@lions201q1.org.au](mailto:training@lions201q1.org.au) to register your interest in one of the above sessions. Further details will be provided to clubs in the near future.

## Safety, Risk & Insurance

Spring is coming and this is the perfect time for Lions to do a quick risk and safety review around all the service activities members participate in.

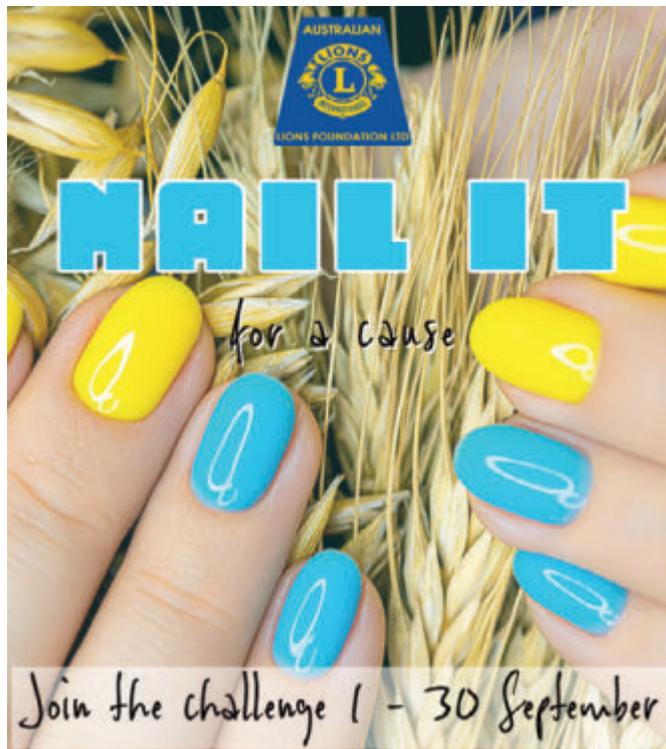

### Has your Club updated or reviewed:

- Your First Aid Kit and expired items?
- Fire extinguisher expiry and gas bottle safety
- The amount and coverage of your Club's Lions Insurance?
- Updated your Lions Certificates of Currency (Now Available for 22-23)
- Reviewed the Lions Risk Management Manual
- Ensured that your Food Licenses (where applicable), Fundraising Certificates (Collections Act) and/or Incorporations Certificates are up to date and stored safely.

For all information covering Lions Insurance & Risk Management please see the Lions Australia Website [https://lionsclubs.org.au/members/resources/insurance\\_centre/](https://lionsclubs.org.au/members/resources/insurance_centre/) or contact PDG David Greenup in the first instance by e-mail to [cbl.q1@lions.org.au](mailto:cbl.q1@lions.org.au).

## Nail it for a Cause!

Are you ready to Nail it for the Australian Lions Foundation and help raise vital funds for Disasters, Emergencies and for Community Welfare Projects?

### How To Get Involved

#### Paint A Nail

From Thursday 1 September, through to the end of the month, paint one or all of your nails in the Lions Blue, Gold or in any other colour you feel suits your beautiful hands best. Your nail, or nails, will not only look great, but they're a great platform for sparking conversations that inspire action and donations. Make sure you sign yourself or your team up and then set yourself a fundraising target, too.

#### Paint Your Pet's Nail

In terms of raising awareness, Nail it for ALF Pets works in the same way as painting your own nail, though it's best you leave the nail painting up to the

pet-pros at PETStock or local pet supplier. Head into their participating stores and book in your furry friend for a buff and polish —the pet groomer (and nail artist) on duty will then give Fido a pedicure with a vegan, non-toxic and request edible blue nail polish.

Don't stop there, get your club and community involved and contact PDG David Greenup via [alf@lions201q1.org.au](mailto:alf@lions201q1.org.au) for your digital campaign pack or more information today!

## **Learn & Support Our Global Foundation**

Australian DGs and LCIF Co-ordinators recently had the opportunity to meet together in Sydney to learn more about LCIF and the grants that are available.

PIP Barry Palmer and the LCIF Regional Development Specialist from Chicago Tyrel Floyd shared the importance for Lions in Australia to support their foundation, noting that we receive much more in grants than we contribute to LCIF, especially with the disasters we've had in the past few years.
