

## **2nd Vice District Governor Nicole Phillips**

*Commonly known as "Feathers"*

*Member of: Apple-MAQ Lions Club*

### **About the Person**

Lion Nicole is a young lady who has grown up in East Brisbane with her parents Lion David and Margaret Phillips and her brother Peter.

Nicole graduated from Brisbane State High School. Her interests are IT training and technical support, coaching/playing soccer and volunteering in the community.

In Nicole's professional life she has run her own business for 12 years providing training and technical support to her clients in the Information Technology (IT) field. She is currently working as an Onboarding Consultant for a Student Management Software company and still looking after her clients privately.

In Nicole's volunteering life started when she was very young. Nicole's dad, David, started a computer recycling project as a member of the Apple Macintosh Association of Queensland. Nicole attended the computer meetings and helped her dad when he delivered refurbished computers to the disabled and disadvantaged.

Nicole has been involved in varied community work, including refurbishing computers for the elderly and disabled, assisting with the 2011 QLD Flood Disaster Relief and packing shipping containers to help developing countries to improve their education, literacy and health system. Currently she has been involved in packing over 180 shipping containers of aid.

Nicole has been apart of the lions community for nearly 15 years and also held many local club and district positions. These include Charter Secretary, Treasurer, President, Lions Medical Research Personality Quest Entrant and Zone, Literacy and Lions Medical Research Foundation Chairperson/Ambassador.

She has been involved and managed many fundraising projects over her time volunteering.

She has received a Star Award, Ray Phippard and Ian Fraser Awards.

Thank you  
Nicole Phillips
