Best advise Zone 7 Clubs can give can to a prospective member

"Be prepared to get involved and roll up your sleeves. It will be your club your ideas to get involved with." - Logan South East

"Find out as much as you can about the Lions organisation via LCI, Multi District, Lions District & Club websites & Facebook pages." - Logan Village

Logan South East

why did Zone 7 members join Lions?

"Looking to be involved in helping people and in local events which help the community." - Logan South East

"Joined Lions as a natural progression from career and life before lions - interest in administrative work - helping people and trying to make a difference in peoples' lives and to support the ongoing operational function in club/s." - Woodridge Kingston

Rochdale Kingston

What are some of Zone 7 members favourite things about being a Lion

"Being able to make a difference in peoples' lives, attending conventions to catch up with old friends and make new ones, ongoing personal development and learning opportunities." - Woodridge Kingston

"Fellowship of fellow Lions, and the feeling of making a difference in people's lives." - Rochdale Springwood

What Zone 7 members would change about Lions in General

"Encourage younger people to become part of the Lions organisation. There is a perception in some parts of the community/society that service clubs are for "old" people. Increase public awareness of what we do & why we do it all levels global, national, district, club. Remove the new member joining fee for clubs. Embrace modern technology & methodologies. More electronic record keeping & less paperwork. Add to that, the need to provide & make available the necessary training to members (if required)." - Logan Village

*"Modernise our systems – more electronic records and less paperwork & Encourage younger people to become a part of Lions." -
Rochedale Springwood*

Logan Village

Do Zone 7 Clubs have any unique project that they do.

"Annual achievers award to two special schools to recognise students who may not have been the best in school but have tried hard to overcome their own personal difficulties. This consists of a perpetual trophy for the school; an individual trophy for the student and a dinner for them, their parents; siblings and teachers at one of our dinner nights." - Rochedale Springwood

"We have run a quiz which was very popular. We raise funds for a challenged little girl and help out with foster children." - Logan South East

Woodridge Kingston

Zone 7 Clubs Favourite Project? (Either club, District, MD or International)

"Would be the onsite support that we give to residents of Logan House (we have an annual Christmas BBQ breakfast that we put on and sometimes other hands-on projects throughout the year); the Gunfire Breakfast we used to help to cook and then serve to former servicemen and women and the public after the annual Anzac Day Dawn Service; and again, the onsite support that we give to residents of the Trinder Park Nursing Home." - Woodridge Kingston

"Any projects that benefit the local & broader communities and society in general. If we were to select a few then: - Logan Village Charity Golf Day, Lions Blood Cord Foundation "Grocery Grab", ANZAC Day gunfire breakfast & Variety Bash Queensland 2021." - Logan Village
